**Black and Unmarketable:** There are some markets in America that you might neglect, you also put in the money. The market is made up of a lot of things. If you do these things, you will be given some benefits, some rewards, and you will be able to make a profit.

Provide Real-time Performance Data: One way you can build loyalty from taking part in the study is through the regular use of real-time performance data. Performance data is used to make informed decisions on a variety of issues, such as product and service quality, and has been used to improve both customer service and performance in many domains. It is also used to monitor a company's performance, such as response time and cost efficiency.

Interventions may include a risk reduction strategy (e.g., helmet use, child car seat, motorcycle helmet use), a control strategy (e.g., seat belt use, helmet use), or a combination of the two. The research team will review the literature with regard to using the information generated from the risk reduction and control strategies to develop a risk reduction strategy.

### MANE AND OKE REPORTING

As responsible consumers under Clarence University Title IX policies, we are committed to reporting incidents of discrimination based on sex, sexual harassment or sexual violence involving a member of the Clarence University community.

## EQUIPMENT AND DEVICES THAT WILL BE USED IN RESEARCH STUDY

There will be no harm using a sub-optimal journal (compared to ISI) as a check. Although highly unlikely, if you happen to feel uncomfortable in any way during registration, we recommend using the e-mail link to notify the system team immediately. If you continue to experience any discomfort after the study, please contact your preferred health care provider and notify the research team.
