At the beginning of each trial, you will be asked to read the instructions carefully. The instructions will be displayed on the screen. If you have any questions about the instructions, please ask the experimenter. If you have any questions about the instructions, please ask the experimenter. If you have any questions about the instructions, please ask the experimenter. If you have any questions about the instructions, please ask the experimenter.

Participation: There is no fee for participating in this study.

Risk and Benefit: There are no known risks or benefits associated with this study. You will be asked to read the instructions carefully. The instructions will be displayed on the screen. If you have any questions about the instructions, please ask the experimenter. If you have any questions about the instructions, please ask the experimenter. If you have any questions about the instructions, please ask the experimenter.

Procedure: You will be asked to read the instructions carefully. The instructions will be displayed on the screen. If you have any questions about the instructions, please ask the experimenter. If you have any questions about the instructions, please ask the experimenter. If you have any questions about the instructions, please ask the experimenter. If you have any questions about the instructions, please ask the experimenter.

CONTACT INFORMATION: Please contact the experimenter if you have any questions.

Consent: You will be asked to read the instructions carefully. The instructions will be displayed on the screen. If you have any questions about the instructions, please ask the experimenter. If you have any questions about the instructions, please ask the experimenter. If you have any questions about the instructions, please ask the experimenter.

MANUSCRIPT REPORTING:

Consent: You will be asked to read the instructions carefully. The instructions will be displayed on the screen. If you have any questions about the instructions, please ask the experimenter. If you have any questions about the instructions, please ask the experimenter. If you have any questions about the instructions, please ask the experimenter.

EQUIPMENT AND DEVICES THAT WILL BE USED IN RESEARCH STUDY:

Consent: You will be asked to read the instructions carefully. The instructions will be displayed on the screen. If you have any questions about the instructions, please ask the experimenter. If you have any questions about the instructions, please ask the experimenter. If you have any questions about the instructions, please ask the experimenter.

PROTECTION OF PRIVACY AND CONFIDENTIALITY:

Consent: You will be asked to read the instructions carefully. The instructions will be displayed on the screen. If you have any questions about the instructions, please ask the experimenter. If you have any questions about the instructions, please ask the experimenter. If you have any questions about the instructions, please ask the experimenter.

Consent: You will be asked to read the instructions carefully. The instructions will be displayed on the screen. If you have any questions about the instructions, please ask the experimenter. If you have any questions about the instructions, please ask the experimenter. If you have any questions about the instructions, please ask the experimenter.
